

Joint Powers Recreation Board - City of Tower, and townships of Breitung, Eagles Nest, Greenwood, Kugler, Vermilion Lake. Meetings typically take place quarterly. (The next meeting is April 11th, 8:30 AM, at Good Ol Days in Tower.)

The Recreation Board was created, "...for the purpose of jointly establishing programs of public recreation, arts and education, for children and young adults of school age including the acquisition of equipping, operation and maintenance of athletic equipment, facilities and related materials and to finance their acquisition to expend other monies for these purposes, and to establish the responsibilities of each party all through a joint agreement."

For example, this past winter the Rec Board donated money for soft hockey pucks and for purchase of pizzas for the skating parties at the Soudan ice rink, helped pay for a ping pong table for the Northland School and a few other donations. Spring baseball needs will likely be on the table. For information contact: Supervisor-Soderberg@eaglesnestmn.com
