

TOOLS FOR LIVING WITH

Fire

SATURDAY JUNE 15

8:30 - 4:30

**MINNESOTA NORTH
VERMILION CAMPUS**

A one day event for landowners to gain invaluable empowerment tools for managing your land effectively.

The event will include sessions on fire history, creating a land stewardship plan, activities you can complete on your property, preparing for an emergency and more! The afternoon will include an interactive outdoor session (weather permitting).

Scan this code with your mobile phone to register, find the speakers and full agenda for the day

Cost is \$10 (nonrefundable). Event proceeds donated to Ely Community Resource Center. If space is available, same day registration will be accepted. Lunch will be provided!

Questions? Visit www.minnesotafac.org or contact Gloria Erickson, St. Louis County Firewise Coordinator at gloria@dovetailinc.org or 218-365-0878

This event was made possible with grant funding from: Bi - Partisan Infrastructure Law Community Wildfire Defense Grant, MN DNR Firewise Community Grant Program, US Forest Service, and the SFI Community Grant. This Institution is an equal opportunity provider.
